

### ABOUT CHURCH OF THE NATIVITY

An Episcopal parish located in North Raleigh, we have been described as a welcoming, educated, participative, and energetic congregation. We recognize that people vary in their talents and preferences, so we offer a broad array of programs, ensembles and artists.

Spirituality in the Arts is a series of performances and exhibitions that began in 2004. Featuring artists, musicians, and performers - some from Nativity, some from the professional arts community - we seek to glorify God and to entertain by offering events that communicate God's love.
